SENATE SELECT COMMITTEE TO STUDY GOVERNMENTAL OPERATIONS WITH RESPECT TO INTELLIGENCE ACTIVITIES

1. Arrangements have been made for the issuance of a special badge to staff members of the Senate Select Committee who will be involved with Central Intelligence Agency matters. This badge will facilitate their entrance to, and movement while within, the building. The badge contains the staff member's picture on a blue border with red letters SENATE COMMITTEE across the top.

2. The staff members understand that they are to restrict their unaccompanied movement to the area of their assigned room, 2E 45 Hqs, and to and from the North Cafeteria. During normal working hours they will use the Main Entrance to enter and exit the building. Separate provision for building access will be made by the DCI/IC Select Committee Coordinating Staff for week-end and holiday periods, as necessary.

3. All contacts between Select Committee staff members and individual offices or personnel of the Agency will be arranged by the Select Committee Coordinating Staff, located at Room 7E 19 Hqs. Any Agency employee contacted directly by a Select Committee staff member should refer the caller to the Select Committee Coordinating Staff, [REDACTED]
